To have them left at the back of the church, please call Sandra Jemioto (203) 734-6247.

**ORGAN RESTORATION FUND**

As you know the condition of our organ is deteriorating. Thanks to our organist, it is still operable. After several meetings of the Parish Council, Finance Committee and Trustees, it has been decided that the best option is to restore our present pipe organ. The challenge we now face is to raise another \$32,000 to cover the cost of this restoration. Parishioners will soon receive an informative letter about our organ-fund campaign which will offer details and information on how you can participate in making this restoration a success. Keeping an original working pipe organ in our beautiful church will help to maintain the quality and character of our church thereby enriching the experiences of generations to come.

## 18<sup>TH</sup> SUNDAY IN ORDINARY TIME

**“Take care to guard against all greed, for though one may be rich, one’s life does not consist of possessions. Then he told them a parable. ‘What shall I do, for I do not have space to store my harvest?’ And he said, ‘This is what I shall do; I shall tear down my barns and build larger ones...’ Thus will it be for all who store up treasure for themselves but are not rich in what matters to God.”**

We can, or we should fill in the verses which are not cited above, for we probably have something of the rich man in all of us. The parable applies to every aspect of our life. Some years ago a teacher reminded us that the people who came to the New World came for Glory, Greed, Gold and the Gospel. The story of the days of discovery reveal this as true.

Today, the gospel mandate of Jesus is a good reminder. We have all been blessed with an abundance. How true this is. Even when we seem to struggle, look around. Nearby the unemployed, uninsured, homeless can and should speak to our hearts.

The resources of our world are consumed by a small percentage of the world’s population. We are the consumers. We plough crops under, provide subsidies for not working the land, while others starve. Pope Benedict constantly reminds us of the need of the common good.

As a gesture of my own awareness in response to this parable, think of one thing you can do without this week, and make sure someone benefits because of my awareness. In this way the parable takes on real meaning.
